**Keynote speaker, Doug Peterson,** has been an employee of NRCS for over 25 years. He is the regional soil health specialist for the states of Missouri and Iowa. Doug grew up on a crop and livestock farm near Newtown, MO. He operates a cow/calf and contract grazing operation with his father, Steve. They run approximately 500 cows and utilize management-intensive grazing and holistic high density grazing to improve soil health. Doug earned a Bachelor's degree from Missouri Western State University. He and his wife, Diane, have three children.
