

Become a Master Gardener!

2017 Master Gardener Training

SDSU Extension Master Gardener Training is provided by SDSU faculty and includes access to online training materials, a resource manual, and hands-on classes. Hands-on classes will be held in three locations, over eight sessions. Each session begins at 8:30 am and ends at 4:30 pm local time. Come join the fun!

When/Where:

Participants can select one of three training locations:

Sioux Falls: June 6, 13, 20, 27, July 11, 18, 25, August 1

Aberdeen: June 7, 14, 21, 28, July 12, 19, 26, August 2

Spearfish: June 8, 15, 22, 29, July 13, 20, 27, August 3

Topics Include:

Basic botany and taxonomy; soils and fertilizers; turf and weed management; plant pathology/composting; tree and shrub care; pest management; planting and landscape use; pesticides; insects and pollinators, biodiversity; vegetables and season extension; herbaceous ornamentals, native plants, plant propagation and more!

Cost: There are two training options:

Training with Volunteer Commitment (Discount Rate \$190):

To take course at discounted rate, you must provide 50 hours of volunteer service over the next two years. The balance of the full course fee will be invoiced if service commitment is not completed.

Training WITHOUT Volunteer Commitment (Full Price \$540):

Participants will receive the same training, but will not be required to volunteer and will not become a certified Master Gardener. Instead, participants receive a horticulture training certificate upon successful completion of the course.
