

*SDSU Extension Master Gardeners have received training from South Dakota State University faculty, then volunteer to share their knowledge and expertise in their communities.*

The Pasque Flower is the state flower of South Dakota. Pasque is a solitary tallgrass prairie flower and grows wild throughout South Dakota.

## Master Gardener Program

*Master Gardeners are trained volunteers that provide research-based horticultural information to help others improve the quality of their lives.*

**MASTER GARDENERS CAN  
ASSIST YOU**

Extension Master Gardeners have varying areas of expertise and programs that are tailored to local needs and opportunities.

We can help with:

**DEMONSTRATING** gardening techniques in school, community and Master Gardener demonstration gardens

**DIAGNOSING** plant and pest problems.

**LEADING** classes and workshops on a variety of gardening topics.

**EDUCATING** the public at community events and fairs

Contact the Extension Master Gardener Club nearest you for more information about their services. Club listings can be found at [iGrow.org](http://iGrow.org)

**BECOME A MASTER  
GARDENER**

Training is held annually and consists of in-person and online training. Trainees must complete 50 hours of service in two years and maintain 20 hours of service and 10 hours of continuing education annually to maintain active Extension Master Gardener status.

For training dates and fee information, visit: [iGrow.org](http://iGrow.org)

**Got Garden Questions?**

Contact one of our SDSU Extension Regional Centers or visit [iGrow.org](http://iGrow.org) and select "Ask an Expert" to submit your questions online.
